

The Science Of Etymology

by Walter W Skeat

Amazon.in: Buy The Science of Etymology Book Online at Low 1 Oct 2015 . Science is one of hundreds of thousands of words in English that has an extraordinarily long etymological history. Its popular meaning has changed, century by century, and sometimes even more rapidly than that. It originally came from the Latin word scientia which meant knowledge, a knowing, expertness, or experience.
